

Tyson Fresh Meats, Inc.

Tyson Supplier Affidavit – Prohibited Feed & Antibiotics

I _____ (print), attest that to the best of my knowledge, the following statements are true and correct regarding the cattle under my authority, direction, or ownership and which are supplied to Tyson Fresh Meats for slaughter.

- In the “finishing ration” have not been fed “prohibited” mammalian protein (i.e. ruminant meat & bone meal) as defined by FDA CFR 589 2000.
- All antibiotics are used under the auspices of veterinarian, comply with FDA regulations and not used solely for the purpose of growth promotion.
- Have at all times been handled properly and humanely.

I agree that authorized Tyson Fresh Meats officials may conduct inspection of feed records and feed facilities at locations from which cattle under my direction (or ownership) are fed and which were slaughtered at a Tyson Fresh Meats Facility.

Street City State Zip

Affidavits are to be renewed annually. Failure to have a current, signed affidavit on-record is cause for the “company” to refuse to slaughter cattle under animal protein is prohibited material. Such records would include purchase invoices and labeling for all feeds containing animal protein products received. Copies of these records are to be made available to FDA upon request.

All cattle producers are urged to secure similar assurances from their suppliers.
