 Reserves; Branch _____

To keep 4-H enrollment information secure and to improve data management and reporting requirements, K-State Research and Extension will maintain 4-H enrollment information in an on-line database. This system, known as Access 4-H, will be managed on a certified secure server maintained by National 4-H Council.

Authorization

I understand all enrollment information may be stored in Access 4-H or a similar system. I further understand National 4-H Council will not use enrollment data to contact any youth, but may contact me as a parent/guardian unless I checked the box above indicating I prefer not to be contacted.

Parent or Guardian Signature _____

Date _____

The 4-H Core Values

The 4-H Cloverbuds program is part of the overall Kansas 4-H program, even though it has different policies and activities than the 4-H club program focused for the 7- to 19-year-olds. 4-H Cloverbuds is about meeting the developmental needs of its participants. Even so, the 4-H Cloverbuds still embrace the 4-H core values. These core values are:

4-H Colors: White symbolizes purity. Green, which is nature's most common color, represents life, springtime, and youth.

4-H Emblem: The green four-leaf clover has a white H on each leaf to represent the four H's: Head, Heart, Hands, and Health. The 4-H name and emblem are protected under federal status Title 18, and U.S. Code 707.

4-H Pledge:

I Pledge my Head to clearer thinking,
My Heart to greater loyalty,
My Hands to larger service, and
My Health to better living,
For My Club, My Community,
My Country, and My World.

4-H Motto: "To Make the Best Better," a goal for each member to improve himself.

4-H Slogan: "Learn by Doing," a 4-H member's way of acquiring new skills.

4-H Cloverbuds Goals

- Self-understanding skill
(initiating independence and self-direction)
- Social skills
(getting along with others)
- Decision-making skills
(making positive choices)
- Learning skills
(learning to learn)
- Mastering physical skills
(Enjoying constructive and creative play)

Kansas 4-H Cloverbuds Principles

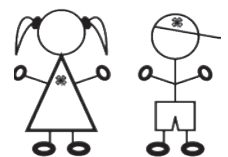

- Fun
- Activity-focused
- Noncompetitive
- Group-centered learning
- Leader directed
- Positive
- Success oriented

Who May Participate

4-H Cloverbuds is an educational youth development opportunity for 5- and 6-year-old children. To be eligible to participate, a child must have celebrated his or her 5th or 6th birthday before January 1 of the current year.

When a child reaches the age of eligibility for traditional 4-H programs (age 7 or older), the child and his or her parent(s) or guardian(s) can decide whether to transition into 4-H club membership. 4-H Cloverbuds is an age-appropriate educational opportunity; a 4-H Cloverbud cannot be a 4-H club member at the same time.
