Notch Information

Litter mark - The pig's right ear (R) is used for the litter mark. All pigs from the same litter must have the same notches in this ear.

Individual Pig Marks - The pig's left ear (L) is used to show an individual pig number in the litter. Each pig in the litter will have different notches in this ear. The exact location of the notches determines the pig's number.

***IMPORTANT** - draw the notches exactly as they are in the ears!
