Should an entry that has been awarded a prize be disqualified, the lower placing entry will NOT move into the higher position. The Fair Board President, the Extension Council President and an Extension Agent will advise and approve any decisions made or actions taken. Should the exhibitor choose to contest the decision, a protest may be submitted by following the Grievance Policy. The Rawlins County Free Fair reserves the right to refuse entry of any exhibitor who has been barred from any other show on the basis of unethical practices.

OVERALL GRAND AND OVERALL RESERVE CHAMPION MARKET ANIMAL

1. Each market species will name an “Overall Grand” and “Overall Reserve” animal.
2. Livestock eligible for the Overall Grand and Overall Reserve Market animal will be “production” type market animals: Beef, Swine, Sheep and Goats.
3. To be eligible, market animals must be weighed on the Official Weigh-In day for each respective species. Market animals not weighed in on the official species weigh-in date will NOT be eligible for Overall Grand or Overall Reserve Champion market animal.
4. Market animals will be weighed-in and ultra-sounded at County Fair .

Each animal will be given points based on their ranking within those categories. Each category will be weighted as such: **33.3% Rate of Gain placing, 33.3% Carcass placing, and 33.3% Live Placing.** (Ex: 50 market steers; highest rate of gain steer gets 50 points, lowest rate of gain steer gets 1 point.)
Rate of Gain placing will be calculated by taking the animal’s weight at Fair (-) their weight at Weigh-in to find total pounds gained. Total pounds gain will be (/) divided by # of days (species weigh-in to fair) to find the Average Daily Rate of Gain.
Carcass placing will be determined by ultrasound.
Live Placing will be determined by ranking all market animals in a species. Animals will be ranked from highest to lowest when judged against one another. Immediately following the conclusion of the species show the judge will sift the market animals in the barns. The Judge shall be accompanied by the Species Superintendent and an Extension Agent. The Superintendent and Agent are for facilitation purposes only (including but not limited to: the moving of animals or equipment) and shall have no determination on the placing of the class.
6. Participants exhibiting in a Showmanship class will receive 20 Showmanship Points towards their Overall score regardless of Showmanship placing. Any animal registered in the Rawlins County Fair may be used in Showmanship.
7. The Overall Grand and Overall Reserve market animals will be placed in the auction as Overall Grand and Overall Reserve Champions of their species. *See 4-H/FFA Livestock Auction section for details.*
8. Recipient of this award will receive recognition during the annual awards ceremony.
9. Participants not eligible for Overall placings will still be eligible for Live Show Grand and Reserve placings.
10. In the event of a tie, the determining tie breaker will be the animal who ranks higher in Rate of Gain.
11. If Ultrasound data is not available before 5 pm on the day of the sale, the live placing points will be doubled to determine overall placing for sale order. If Rate of Gain data is not available, live placing and ultrasound placing will be used equally to determine overall placing for sale order. Awards and recognition at the annual awards ceremony will be based on all data collected.
